Subject: Revised Final Feasibility Study Report

Dear Ms. Stein,

CDM Federal Programs Corporation (CDM Smith) is pleased to submit two electronic copies (on CDs, including the appendices) and two hard copies (excluding the appendices) of the Revised Final Feasibility Study Report for the Raritan Bay Slag Superfund Site in Old Bridge and Sayreville, New Jersey. The report has been revised based on the comments received from the USACE and EPA.

If there are questions concerning this submittal, please contact me at (703) 691-6525.

Very truly yours,
